T Is With genuine pleasure that we very cordially invite everyone interested in Beef cattle, to attend this and the Missouri State Sale at Bowling Green the following day, October 20th.

There will be something like 125 head of choice Shorthorns sold in these two sales and it should prove to be a wonderful opportunity for the securing of a top herd bull or some choice foundation females.

We especially want you to come to Marmac Farm and see some of the marvelous youngsters by America's fastest coming sire, Imp. Garguston Cock Robin.

And we know you don't want to miss the strong State Show to be held at Bowling Green in the forenoon on Friday. The breeds best sires will be represented. There will be a number of hot classes and two beautiful silver pitchers will be awarded by the Pike County Shorthorn Breeders Association to the owners of the grand champions, bull and female.

Study these catalogs carefully, there will be some herd bulls sold here that are sure to make Shorthorn history and you will be fortunate if you are the proud owner. There are also females offered that are sure to be heard from later.

On the evening following the Mackey-Prewitt sale there will be a get together banquet dinner in the Blue Room of Bell's Cafe, Bowling Green. An interesting program will be given and the progress of our breed discussed. Reservations should be made with County Agent M. N. Cowser, Bowling Green.

IMP. GARGUSTON COCK ROBIN
In Calf Form, Taken When He Was Twelve
Months Old.

Imp. Garguson Cock Robin

Imp Garguston Cock Robin has brought to the middle west and Marmac Farms rich old-country blood that is accomplishing great things for our shorthorns. This fact is not unusual when one knows the great show and breeding record of his immediate and other ancestors. Cock Robin's sire, Magheramorne Commodore, was himself reserve champion to his own grandsire who had the unique record of being Supreme Champion at the Royal Dublin and Royal Ulster shows for four consecutive years, 1936, 1937, 1938, and 1939, and also Supreme Champion at the Royal Dublin Society show in 1940.

The grandsire of Cock Robin, Magheramorne Misanthrope, was second highest price sold in the Argentine in 1939. Magheramorne Charity, the paternal granddam of Cock Robin, was first prize winner in 1938 and 1939 at the Royal Dublin and Royal Ulster shows. His dam, Golden Vicki, was a top cow of the Harding importation of 1940 and was a full sister to the great Canadian bull, Imp. Garguston Golden Victor, in use in the famous Lewellyn herd.

Garguston Liberator that was junior champion at Perth in 1942 and afterwards sold to the Argentine for 60000 pesos, was a three-quarter brother to Cock Robin. Cock Robin himself has never been shown but his sons and daughters from the start, have carried his challenge through available midwest shows and his record is nothing short of sensational. Out of the last three Missouri State Breeders shows his calves have won four championships and one reserve championship. Also at Congress where one daughter and one son were shown, they were first and second.

From the foregoing it is conclusively evident that his is strongly prepotent blood and each successive calf dropped at the farm stamps him more firmly as a truly consistent sire of strictly modern day shorthorns.

RAVENI LODESTAR

Study this portrait from that pleasing head, crest, crops, loin, depth of body, to that wonderful rear end. Is it any wonder that he sires calves that we all like?
